

**The Woodstock Soccer Club  
“WSC FOR ALL” Program  
believes that everyone can  
learn how to kick a ball  
and play soccer.**

We understand that our other programs are not accessible to all participants. We developed this program with the hope that WSC can become an accessible club that allows everyone interested to participate in the beautiful game of soccer!

*Learning how to kick a ball in a nurturing environment brings true joy!*

Happiness and having fun are the main goal of our program sessions. Learning new skills while you are laughing, running and making friends is what this program is all about!

Other benefits include:

- Increases Focus & Attention**
- Develops Balance & Coordination**
- Builds Muscle & Endurance**
- Enhances Social Interactions**
- Improves Self Confidence**

Each week the participants will enjoy fun and exciting soccer activities with Coach Tim and his team of Volunteers, who help all participants to be successful and have fun while learning the game of soccer.

Please wear shin pads & clean running shoes. Please note cleats are not permitted on our indoor pitches.

**This is a free program open to all athletes with special needs.**

This includes participants that cannot, or do not want to, participate in other WSC programs. Join the fun with other special needs participants, and let's play some soccer!

**This program is open to all ages and levels.**

Our casual program structure consists of open pitch time for our players to explore on their own, or join others in an accessible game of soccer!
